Please help us unclutter your mailbox.

By sharing your email address with us, that's exactly what you can help us do.

The next time you're in a branch, one of our Member Relations Representatives will be happy to add your email address to our system. With your help, we can make our communications more efficient, and reduce the impact we have on the environment.

We take your privacy very seriously, which is why we cannot accept email address updates over the phone—we need to validate the address in person. Of course, we'll never sell the address to anyone else, nor will we overload your Inbox.

Thank you.
