# Debit RoundUp Enrollment

Grow your savings with Debit RoundUp! Use your DFCU Mastercard® Debit Card to make everyday purchases and DFCU Financial will round up the change on the transaction to the nearest whole dollar amount. The difference will automatically transfer from your Checking account to the Recipient account of your choice at the end of each business day.

I authorize DFCU Financial to add Debit RoundUp to the designated Checking Account provided on this form, which has a DFCU Mastercard® Debit Card tied to it. All rounded up funds will be transferred to the below listed Recipient account.

*\*If you have selected a Recipient account that you are not the owner of, any funds transferred to the account as a result of Debit RoundUp are an irreversible transfer to the owner(s) of that account.*

By signing below, You understand that the round up transfers will not be posted immediately, but will be totaled daily and posted as a single transfer from Your Checking account to Your designated Recipient account. These transfers will only happen at the end of a business day. You further understand that on any given day if Your Checking account does not have sufficient funds, the round up transfer will not occur. You may cancel this authorization at any time by submitting written notice to DFCU Financial.
