

Organize your Automatic Payments/Transfers information using the **Switch Kit Checklist**, **Automatic Payment Transfer Letter** and **Common Payee List**. These forms will help you keep track of all the information you need to switch automatic payments/transfers to your new DFCU Financial account and assist in the process of completing this transition.

What is a Routing Number?

A routing number is the nine-digit number banks use to transfer money. It can be found in the lower left-hand corner of your checks.

What is DFCU Financial's Routing Number? 072486791

What are Automatic Payments?

Automatic payments are recurring payments made from your account and can include insurance premiums or monthly membership fees.

Common Automatic Payments and Transfers

Listed below are typical merchants (payees) and other entities with whom you may have automatic payments and/or transfers established.

Automatic Payments

- Gas Company
- Water Company
- Internet Services
- Cell Phone
- Electric Company
- Cable or satellite TV
- Insurance
- Child support or court-issued payments
- Local/long distance telephone service
- Mortgages
- Brokerage – automatic investments

Planning Ahead

The time required to complete this process is dependent upon how long it takes to switch payments and/or transfers from your former accounts to your new DFCU accounts. The amount of time varies based upon transaction type. Please use the following as a guide for planning purposes:

Automatic Payments/Transfers

- Automobile 30-90 days
- Insurance 30-60 days
- Cable 45-60 days
- Mortgage 30-45 days
- Health Club 14-21 days
- Utilities 30-60 days
