If in Your judgment these security procedures are not commercially reasonable or circumstances change so that You believe the procedures are no longer commercially reasonable, You must notify Us in writing within thirty (30) days.

Individual Agreement for OnLine Banking Service

We do not have joint agreements for Our OnLine Banking service. You are the only member under this Agreement. However, any of the accounts to which You have access through Our OnLine Banking service may be jointly owned with, or joint obligations with, others.

Qualifying Accounts

We will tell You which types of accounts qualify for Our OnLine Banking service. You must be a named owner/signer/obligor on the account in Our records for it to qualify. Any account requiring more than one signature for withdrawal, draw or transfer of funds does not qualify. You agree to provide Us with any authority We require before We permit access to any qualifying account.

Types of OnLine Banking Services

You can instruct Us to perform the following transactions:

- Transfer funds between qualifying accounts;
- Obtain information that We make available about qualifying accounts;
- Update Your personal contact information such as address, E-mail, and/or phone(s);
- Obtain other services or perform other transactions that We allow.

Funds Transfers

You may make funds transfers using the OnLine Banking service. You may transfer funds between qualifying accounts You own at DFCU Financial, referred to as Internal Transfers, and between Your qualifying DFCU Financial accounts and accounts You own at other financial institutions, referred to as External Transfers. You may also transfer funds from Your DFCU Financial accounts to an account of another DFCU Financial member, referred to as a Member-to-Member Transfer.

All Transfers may be created as a one-time transfer, a one-time scheduled transfer, or as a recurring scheduled transfer.

External Transfers

You may choose to add qualifying accounts which You would like to use with the funds transfer service. All qualifying accounts must be with financial institutions in the United States and in U.S. Dollars.

A qualifying account may be added or deleted by You at any time.

To add a qualifying funds transfer account, You authorize Us to make small deposits to the qualifying account to confirm Your control of the account. You agree to verify, online, the amount of such deposits. The qualifying account will be activated for use upon Your verification of the deposit amounts.

Upon Your request, We will make electronic transfers from a qualifying account via the Automated Clearing House (ACH) system in the amount You specify. You agree that such requests made within the OnLine Banking service constitute Your written authorization for such transfers.

You agree that We are not responsible to investigate discrepancies between account number and names on the account and may execute that transaction with account number reference only.

If Your qualifying account ever reflects an amount owed to Us, You agree to pay such amount to Us immediately upon demand. You also agree to pay for all collection costs including reasonable attorney fees. For an External Transfer, We debit one of Your accounts and credit another of Your accounts. If the debit side of the transaction fails and the credit side of the transaction is completed, You authorize Us to collect from the account to which the credit side of the transaction was sent. We reserve the right to resubmit a debit or a partial debit against any of Your qualifying funds transfer accounts to recover any deficiency resulting from the original amount plus any fees imposed.

Limits on OnLine Funds Transfers

You must have enough available money or credit in any account from which You instruct Us to make a transfer. For security reasons, We may implement limits on the number or amount of transactions You can make using Our OnLine Banking service. We also reserve the

DFCU OnLine Access Agreement and Disclosure Statement (continued)

right to limit or suspend access to Our OnLine Banking service as We deem necessary for security reasons. We may also limit access from countries other than the United States of America.

Internal Transfers and Member-to-Member Transfers may be made in any amount that does not exceed the available balance for any qualifying DFCU Financial account.

If any qualifying accounts are money market deposit accounts or savings deposit accounts, certain types of withdrawals from those accounts, including payments and transfers, are limited to a total of no more than 6 in any monthly statement period. The kinds of withdrawals covered by this limitation are those made by means of preauthorized or automatic transfer, computer transfer, transfer by telephonic order or instruction or by check, draft, debit card, or similar order payable to third parties.

External Transfers

- External transfers are sent on credit union business days, Monday through Friday. Saturday, Sunday and federal holidays are not business days.
- The typical time to send or receive money using the ACH network is 3 to 5 days. We do not guarantee any specific turn-around time for this type of transfer. You should check Your accounts to see debit or credit amounts to confirm the status of transferred funds.

Transfers Involving Insufficient Funds

If You instruct Us to make an External Transfer and You do not have a sufficient balance in the account from which You are making the transfer (including available credit under any overdraft line or a discretionary overdraft privilege service if it is made available to You), We may refuse to complete the transaction. (Note: the available credit under the discretionary overdraft privilege service is NOT available on Internal Transfers). We may do this even if there are sufficient funds in accounts other than the one You were using to make the transfer. If We complete a transfer that You make or authorize and We subsequently learn that You have insufficient funds for the transaction in the account from which the transfer is made, You agree that We may reverse the transaction or offset the shortage with funds from any other account You have with Us. In any case, You are fully obligated to Us to provide sufficient funds for any transfers You make or authorize.

Our Liability for Failure to Complete Transfers

If We do not complete a transfer from a consumer account on time or in the correct amount according to Our agreement with You, We will be liable for Your losses or damages. However, there are exceptions. We will NOT be liable, for instance:

- If, through no fault of Ours, You do not have enough available money in the account from which a transfer is to be made, or if the account has been closed or is not in good standing, or if We reverse a transfer because of insufficient funds.
- If any transfer would go over the credit limit of any account.
- If Your equipment or Ours was not working properly and the breakdown should have been apparent to You when You attempted to conduct the transaction.
- If You have not given Us complete, correct or current account numbers or other identifying information so that We can properly credit Your account or otherwise complete the transaction.
- If You do not properly follow Our instructions or if You provide Us with wrong or inaccurate information or fail to correct or tell Us about any inaccuracy of which You are aware.
- If You do not instruct Us soon enough for Your transfer to be received and credited.
- If the money in the account from which a transfer is to be made is subject to legal process or other claim restricting the transaction.
- If circumstances or persons beyond Our control prevent, delay, intercept, or alter the transaction, despite reasonable precautions that We have taken.

Stopping or Changing Transfers/Stopping Checks

If You want to stop or change transfers You have instructed Us to make, You must notify Us before We have started processing the transaction. This applies to both individual transactions as well as preauthorized recurring transactions. The normal way to do this is for You to access the appropriate function in Our OnLine Banking service no later than the day before the business day the transfer is scheduled to be made, and either delete it or make the change.

Stop Payments for checks (electronic or written) can be submitted within OnLine Banking using the Stop Payment feature in Services. You may also call Us at 888.336.2700 or by using any electronic stop payment method which We provide for this purpose. If You call, You must do this in time for Us to receive Your request 3 business days or more before the transfer is scheduled to be made. If You call, We may also require You to put Your request in writing on paper and get it to Us within 14 days after You call. There may be fees applied to Your account(s) for using stop payment services. Please check Our Fee Schedule for more information.

If You order Us to stop a preauthorized recurring transfer from a consumer account as described above, and We do not do so, We will be liable for Your losses or damages.

You also agree to update Your Delivery Methods with any change to Your email addresses or phone numbers in order to ensure continued delivery of Alerts. You may also edit or delete any of Your information at any time. Anyone with access to Your Delivery Method will be able to view the contents of the Alerts. You understand and agree that receipt of each Alert may be delayed, or prevented by factors affecting Your Internet service provider(s), phone operator(s), and such other relevant entities ("Third Party Service Providers"). You are responsible for and must provide all telephone and other equipment, software, and services necessary to receive Alerts from the Service. Alerts may include Your Name and information specific to an account according to the alert(s) You have established and will not be encrypted. You also understand and agree that Alerts will not be sent on a real time basis, but will rather be sent at the next scheduled delivery time after the specified event occurs. We reserve the right to change the frequency or timing of Alerts, at any time and from time to time.

We neither guarantee the delivery nor the accuracy of the contents of any Alert. You agree that We will not be liable for losses or damages arising from (a) non-delivery, delayed delivery, or mis-delivery of an Alert; (b) inaccurate content in an Alert; or (c) Your use or reliance on the contents of any Alert for any purchases or any other reason.

Tell Us the dollar amount of the suspected error. If You tell Us orally, We may require that You send Us Your complaint or question in writing so that We receive it within 10 business days.

We will determine whether an error occurred within 10 business days after We hear from You and will correct any error promptly. If We need more time, however, We may take up to 45 days to investigate Your complaint or question. If We decide to do this, We will provisionally credit Your account within 10 business days for the amount You think is in error, so that You will have the use of the money during the time it takes Us to complete Our investigation. If We ask You to put Your complaint or question in writing and We do not receive it within 10 business days, We are not required to provisionally credit Your account.

When the investigation is completed, We will make any necessary or appropriate adjustments to Your account. We will tell You the results within 3 business days after completing Our investigation. You may ask for copies of the documents that We used in Our investigation by contacting Us at the phone number or address listed above.

Changing Terms and Terminating This Agreement

This Agreement will stay in effect until it is changed or terminated. We have the right to terminate this Agreement at any time.
