## How To Wire Funds To Your DFCU Financial Account

A wire transfer is an electronic transfer of money. In the case of a bank-to-bank transfer, no actual cash is exchanged, but electronic balances in the respective accounts are adjusted accordingly. Wire transfers can be a very secure method of exchanging funds.

*Please fill out the following information below and present this document to your current financial institution to proceed with wiring funds to your DFCU Financial account.*

### Funds Should Be Wired To the Following:

DFCU Financial Account Holder Name	
DFCU Financial Account Number	Account Type <input type="checkbox"/> Checking <input type="checkbox"/> Savings <input type="checkbox"/> Money Market <input type="checkbox"/> Other: _____
Account Holder Street Address	
City/State/Zip	
<b>DFCU Financial Routing Number (ABA): 072486791</b>	

**IMPORTANT:** Fees may be assessed by the sending bank, or if applicable, any intermediary banks. DFCU Financial cannot determine if fees will be charged. DFCU does not directly accept wires from foreign institutions and does not have a SWIFT code. The foreign institution should have its own domestic institution that it processes wire through.
