Draw Account Authorization

This form supersedes and replaces all previous Draw Account Authorization forms.

Select only one option below and sign in the appropriate section:

Add/Modify Draw Accounts

List below the accounts to be accessed in the following order to pay ACH, Debit Card, and Check obligations on the checking account listed above:

Account Number(s) / Account Type – In Draw Order	
1	_____
2	_____
3	_____
4	_____
5	_____
6	_____
7	_____

By signing below, You hereby authorize Us to transfer funds from Your loan and/or other deposit Account(s) identified above. Your overdrafts will be covered by transferring funds from Your loan and/or other deposit Account(s) identified above and in the order specified. If no priority is noted, transfers will be made from your line of credit up to Your available credit limit, or from Your savings account, provided You have enough available funds. You further agree to pay any fees associated with such transfer and hold Us harmless from any and all liability which might otherwise exist if a transfer does not occur.

I Do Not Want Draw Accounts

If You waive Your right to assign draw accounts to the checking account listed on this form, You understand that funds will not be transferred from any savings or line of credit You have to cover checks, ACH withdrawals or other debits presented on the above checking account. You further understand that You can assign draw accounts to the checking account listed on this form by providing a request in a manner acceptable to DFCU Financial.
