

WANT TO MAKE THE SWITCH TO DFCU FINANCIAL? WE CAN HELP MAKE IT EASY!

Thanks for choosing DFCU Financial. We're dedicated to ensuring that your transition is a smooth one. Follow these easy steps to guide you through the process of switching your accounts to us.

1. Open your new DFCU Financial account.

Becoming a member of DFCU Financial is easy. You can choose to open your account online at www.dfcufinancial.com or visit one of our branch locations in Ann Arbor, Detroit, Grand Rapids or Lansing.

2. Set up Direct Deposit.

Prepare to move your direct deposit to DFCU Financial by completing the Direct Deposit Authorization form. Confirm with your employer, government or other depository agency the effective date of your first direct deposit to DFCU Financial before moving to the next step of changing your automatic payments.

3. Change your automatic payments.

Use our convenient Automatic Payments/Transfers forms and Checklist to identify your automatic payments (it may be helpful to review a recent account statement). Once you have identified these payments, you'll need to contact each company to authorize the change. Don't forget any automatic payments that may be connected to your debit card.

4. Close your old account.

Be sure to leave your old account active long enough to allow outstanding checks and other transactions to clear. Contact your previous financial institution to close your accounts. Destroy any old or unused checks and ATM/Debit Cards.

5. Enjoy Anywhere Banking.

Enroll in DFCU Online and manage your money from a laptop, tablet or mobile phone. Use the DFCU OnLine Fact Sheet to guide you through enrollment. Don't forget to sign up for eDocuments and receive your statements, account notices and tax documents electronically.

Bill Pay - The following helpful tips will benefit members who wish to enjoy the convenience of Bill Pay

1. The Pay Date is the date the payment is guaranteed to be paid by, not necessarily the date the bill will be paid. The payment may be made prior to this date.
2. The Bill Pay system applies specific logic to each payment to determine whether to pay it by check or ACH. DFCU **cannot** determine how the payment will be made or make changes to the payment method.
3. A per payment fee is assessed by Bill Pay subscriber (as identified by their member number) after the fifth bill payment is processed on a calendar monthly basis. See the Fee Schedule for more information.

eDocuments - Important information

1. Only the Tax Owner can enroll in eDocuments.
2. Once enrolled in eDocuments, all of the Tax Owner's statements, notices, and tax forms will be delivered via this channel. DFCU does **not** send one document in print and another via eDocument.
3. Once enrolled in eDocuments, you will immediately have access to statements from January 2012 to the present date.
4. eDocuments are located in DFCU Online under Services, then by selecting eDocuments.
5. Credit Card statements can be retrieved electronically in DFCU Online by logging in, selecting Transactions, then clicking Credit Cards and clicking on 'Go Paperless' under the Quick Links.

Pre-Authorized Transfers set-up via DFCU Online are subject to the following

1. Regulation D applies. You **must** be mindful of the number of transfers that you have scheduled to transfer out of the savings and/or Insured Money Market accounts. The Reg D Transaction Count appears on the Account Details screen.
2. Pre-Authorized loan payments are transferred in the morning on the day they are scheduled.
3. Pre-Authorized transfers are processed on the scheduled day including Saturdays, Sundays, and holidays. If a transfer fails due to insufficient funds, it will **not** be attempted again.

Updating Contact Information

1. The information being updated **only** affects the Person Record associated with the member number used to log into DFCU Online. Any other Owners on the account(s) will need to sign-in with his/her own member number and password to update his/her contact information.
